

Perry Kleven

Service Manager – Fargo Office

Perry joined Bergstrom Electric, Inc. Fargo's Branch Office in February, 2001. He began his electrical career as a shop assistant in 1977 while in high school. In 1978, he enrolled at the North Dakota State College of Science in Wahpeton as an electrical technician student. After graduation in the spring of 1979, he went to work as an Apprentice Electrician, receiving his North Dakota Journeyman's license in 1983.

In addition, Perry worked in the service department of a large electrical contracting firm and was promoted to purchasing agent. He has ten (10) years of experience as an electrical wholesaler, with product knowledge in all areas of the electrical industry.

As Service Manager for the Fargo Branch Office, Perry is responsible for both the supervision and management of service technicians and support staff, assisting project managers in the purchasing of materials and marketing the Fargo Service Department.
