

## Darrell Larson

### Vice-President

Darrell began working for Bergstrom Electric, Inc. in 1991 as an accountant. He continues to function in that capacity, along with that of Vice-President of the Company.

His responsibilities include, but are not limited to: reviewing and assisting with preparation of the monthly financial statements, accounts receivable and collections; monitoring the company's accounts payable, job costs, payroll and related accounting functions; preparing yearly budgets; overseeing and helping to prepare and gather necessary information needed for the corporation's yearly audit and reviewing all income tax reports prior to filing. Darrell also works closely with the company's CEO to deal with all bonding, banking requirements and other needs.
