

Paul Soderquist

Operations Manager – Bismarck Office

Paul began his electrical career as an apprentice in 1974 and joined the U.S. Air Force in 1976 as a communication cable splicer. He was hired by Bergstrom Electric, Inc. in October of 1999 as a Foreman. Paul has held the following positions during his electrical career: apprentice, journeyman, foreman, project superintendent, branch manager and is currently Operations Manager of the Bismarck Branch Office for Bergstrom Electric, Inc.

During his electrical career, Paul has been responsible for numerous projects that have included, but are not limited to: dormitories, schools, banks, industrial plants, office complexes, shopping malls, retail stores, food service complexes, primary/housing complexes, hospitals, condominiums, clinics, restaurants, street lighting, government and security projects.

As a Project Manager for Bergstrom Electric, Inc., Paul is responsible for both the supervision and management of foreman/supervisors, journeymen and apprentices. Some of his other duties include: estimating, service contract negotiating, commercial/residential project design build, and project negotiations.
