

Steve Wasvick

Project Manager/Sales/Service

Steve joined Bergstrom Electric, Inc. in August, 2001 as a Project Manager/Sales. He began his electrical career as an apprentice electrician in 1988, receiving his Journeyman's license in 1992. Prior to his current position with Bergstrom Electric, Inc., Steve held the following positions: Service Technician, Job Foreman, Project Manager and Branch Manager.

During his electrical career, Steve has been responsible for numerous projects that have included: correctional facilities, sports arenas, clinics, hospitals, schools, apartment complexes, banks, industrial plants, restaurants, office complexes, car dealerships, nursing homes and hotels to mention a few.

In his position with Bergstrom Electric, Inc., Steve is responsible for both the supervision and management of foremen, journeymen and apprentices. Some of his other duties include: estimating, service contract negotiating, residential/commercial design build, project negotiations, radio advertising (including live radio shows) and new business development.
